

Restructuring and Bankruptcy

The firm's Restructuring and Bankruptcy team advises investors, purchasers, sponsors and middle-market and emerging companies in navigating the complexities of distressed business and financial situations. Experienced in debt and equity restructurings, bankruptcy law (including Chapter 7, 11 and 15), distressed asset sales, liquidations, operational winddowns, corporate dissolutions and workouts, our attorneys provide practical and sophisticated legal advice and representation to their clients both in and out of court.

Our team works particularly closely with the firm's Corporate and M&A groups to structure sophisticated strategic transactions and achieve consensual outcomes even in the most complex of restructuring situations.

Select representations by our restructuring attorneys include:
