

Gunvor USA successfully increases borrowing base facility to 1.6 USD billion

HOUSTON (8 November 2023) - Gunvor USA LLC ("Gunvor USA" or "the Company"), an indirect, wholly-owned subsidiary of Gunvor Group Ltd ("Gunvor" or "the Group"), has successfully closed the syndication of its 1.6 USD billion uncommitted borrowing base credit facility ("the Facility"). The Facility includes a 1.3 USD billion one-year tranche, a 320 USD million two-year tranche, and a 500 USD million accordion feature, which remains available to support future growth.

"Gunvor USA's successful oversubscription reflects the continued confidence of our banking partners toward the U.S. business and Group globally," said **David Garza, Managing Director of Gunvor USA**. "Our business model has proven to be resilient during times of market stress, and that success combined with bank market support affords us the ability to focus on growth opportunities."

Société Générale, was mandated as Active Bookrunner and Joint Lead Arranger. ING Capital LLC, was mandated as Passive Bookrunner and Joint Lead Arranger.
