Practices

- Corporate Governance
- Mergers & Acquisitions

Overview

Priscilla represents clients on a wide range of complex strategic transactions, including mergers, acquisitions, divestitures, joint ventures, equity financings and recapitalizations, as well as with respect to their daily corporate governance matters. Her clients range from early-stage growth companies to mature public and private companies across a wide range of industries. Her transactional practice includes drafting corporate governance documents, as well as conducting due diligence and drafting the range of agreements involved in closing deals.
